参考范文:

Dear Tom,

I hope this email finds you well. I'm writing to you today with immense gratitude and excitement. Thank you so much for the wonderful dictionary! It was such a thoughtful and practical gift. I've already started using it daily, and it's been incredibly helpful for my English studies. Every time I open it, I'm reminded of your kindness and support.

To express my appreciation, I've also sent a small gift your way. It's a traditional Chinese paper-cutting set, framed in a delicate red wooden frame. The artwork features the Chinese character "福" (Fú), which means "good fortune" and "happiness." In our culture, we often hang it on our walls to bring blessings to our homes and loved ones. Red is a color that symbolizes joy and luck here. I thought it would be a perfect way to share a piece of my culture with you, and I sincerely hope you like it.

Speaking of my culture, this leads me to my main invitation. Now that you have a taste of China in your home, how about experiencing the real thing? I would be absolutely thrilled if you could come and visit me here in China!

My hometown is beautiful, especially in the upcoming autumn. I can't wait to show you around—from the bustling modern streets and delicious local cuisine to the serene ancient temples nearby. We could climb the Great Wall, explore the Forbidden City, and you could even try using your new dictionary to order food at a local market! I promise it will be an unforgettable adventure.

Just let me know whenever you start thinking about your travel plans. I would be more than happy to help you with arrangements and, of course, I'll be your personal guide throughout the trip!

I'm really looking forward to hearing from you soon. Please let me know when the package arrives!

All the best,

Li Hua
